BECU MORTGAGE LOAN ADMINISTRATION AUTOMATIC PAYMENT (ACH) AUTHORIZATION

What is Budget Pay?

Budget Pay is a convenient program that may help to reduce your interest charges, build equity more quickly, and pay off your loan early. This program is not a true bi-weekly payment program.

How does it work?

Your regular monthly payment will be divided into two payments. These half payments will be drafted from your account plus the amount of any additional principal. Once both half payments have been received, they will be combined for the full monthly payment and applied to the loan. The half payments will be scheduled to draft in the month prior to the First Payment Date indicated on your Note/Mortgage. However, if you have already been making payments on your mortgage loan, you will need to make the current monthly payment, and the next monthly payment, as well (both during the same month, but not required to be made at the same time). This program requires that the loan be paid in advance. **You will be notified in writing of the date on which the first transfer will occur in the first half of the month.** The second transfer will occur two weeks after the first draft.

We will continue to make your monthly loan payment by debiting your account every other Friday. During the months when your account is debited a third time, the entire amount debited will be applied entirely to principal.

Please note that repeated return drafts due to insufficient funds in your account may subject you to suspension from the Budget Pay program.

How long will this authorization be in effect?

This authorization to initiate a debit from your account will remain in full force and effect until we receive written notice from you of its termination at least 14 days prior to the next scheduled draft day, or in such manner and time frame as to afford us and our correspondent bank a reasonable opportunity to act upon it.

How do I terminate or change my authorization?

Termination or change requests must be mailed to:

BECU Drafting Department P.O. Box 77417 Ewing, NJ 08628

If you have questions regarding this program, please direct your written correspondence to:

BECU Customer Service P.O. Box 77404 Ewing, NJ 08628

or call our Customer Service Department at 877-747-2328.
