

BUSINESS ONLINE BANKING AND MOBILE BANKING TERMS OF SERVICE

This Agreement (this “Agreement”) contains the terms and conditions for use of any Online Service or Mobile Application (the “Service”) that Boeing Employees’ Credit Union provides to you through any digital platform, whether through a website from a desktop computer or laptop (“Online Services”), or a mobile device (“Mobile Application”). This Agreement is in addition to the terms and conditions of the Business Account Agreements that otherwise govern your rights and obligations when using your Accounts. To the extent there is a conflict between this Agreement and your Business Account Agreements, the terms and conditions in the Business Account Agreements shall govern.

In this Agreement the words “you” and “your” refer to each Account owner or anyone else including each person, or, if applicable, entity with authority to deposit, withdraw, or exercise any other control over a deposit account. The words “you” and “your” also include any user you authorize to use the Service on your behalf.

General Terms

- 1. Introduction.** This Terms of Service document (hereinafter “Agreement”) is a contract between you and BECU (hereinafter “we” or “us” or “our”) in connection with services offered through our online banking site or mobile applications (the “Service”). The Agreement consists of these General Terms and each set of Terms that follows after the General Terms that applies to the specific areas of the Service you are using from us.
- 2. Acceptance of these Terms and Conditions.** Indicating your acceptance of the terms and conditions of this Agreement within the Online Services or the Mobile Application or your use of the Service constitutes your acceptance of this Agreement.
- 3. Amendments.** We may amend this Agreement and any applicable fees and charges for the Service at any time by posting a revised version within the Service. The revised version will be effective at the time it is posted unless a delayed effective date is expressly stated in the revision. Any use of the Service after a notice of change or after the posting of a revised version of this Agreement on the Service will constitute your agreement to such changes and revised versions. Further, we may, from time to time, revise, update, upgrade, or enhance the Service and/or related applications or material, which may render all such prior versions obsolete. Consequently, we reserve the right to terminate this Agreement as to all such prior versions of the Service, and/or related applications and material, and limit access to only the Service’s more recent revisions, updates, upgrades, or enhancements.
- 4. Service Providers.** We are offering you the Service through one or more Service Providers that we have engaged to render some or all of the Service to you on our behalf. However, notwithstanding that we have engaged such a Service Provider to render some or all of the Service to you, we are the sole party liable to you for any payments or transfers conducted using the Service and we are solely responsible to you and any third party to the extent any liability attaches in connection with the Service. You agree that we have the right under this Agreement to delegate to Service Providers all of the rights and performance obligations that we have under this Agreement, and that the Service Providers will be third party beneficiaries of this Agreement and will be entitled to all the rights and protections that this Agreement provides to us. Service Provider and certain other capitalized terms are defined in a “Definitions” section at the end of the General Terms. Other defined terms are also present at the end of each set of Terms that follow after the General Terms, as applicable.
- 5. Assignment.** You may not transfer or assign any rights or obligations you have under this Agreement without our prior written consent, which we may withhold in our sole discretion. We reserve the right to transfer or assign this Agreement or any right or obligation under this Agreement at any time to any party. We may also assign or delegate certain of our rights and responsibilities under this Agreement to independent contractors or other third parties.
- 6. Notices to You.** You agree that we may provide notice to you by posting it on the Service, sending you an in-product message within the Service, emailing it to an email address that you have provided us, mailing it to any postal address that you have provided us, or by sending it as a text message to any mobile phone number that you have provided us, including but not limited to the mobile phone number that you have listed in your Service setup or customer profile. For example, users of the Service may receive certain notices (such as secure access codes, alerts) as text messages on their mobile phones. All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) Business Days after it is mailed. You may request a paper copy of any legally required disclosures and you may terminate your consent to receive required disclosures through electronic communications by contacting us as described in Section 16 of the General Terms below. We reserve the right to terminate your use of the Service if you withdraw your consent to receive electronic communications.

- 7. Text Messages, Calls, and/or Emails to You.** By providing us with a telephone number (including a wireless/cellular, mobile telephone number) and/or email address, you consent to receiving calls from us and our Service Providers at that number INCLUDING THOSE MADE BY USE OF AN AUTOMATIC TELEPHONE DIALING SYSTEM (“ATDS”), and/or emails from us for our everyday business purposes (including identity verification). You acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an ATDS from us or our Affiliates and agents. Please review our Privacy Policy for more information. Airtime, roaming, data usage, and minutes of use may be billed by your mobile provider.
- 8. Hardware and Software.** In order to use this Service, you must obtain and maintain, at your sole cost and expense, a desktop or laptop computer with access to the internet, or a compatible mobile device and/or other hardware and software that meets all technical requirements, as specified by the Bank from time to time, for the proper delivery of the Service and that which fulfills your obligation to obtain and maintain secure access to the internet. Further, at your sole option, you may utilize any authentication software (i.e., password or fingerprint) that is compatible with the Mobile Application. However, we are not responsible for any third party software you may need to use this Service. Any such software is accepted by you “as is” and is subject to the terms and conditions of the software agreement you entered into directly with the third-party software provider at time of download and installation. You understand and agree that you may also incur, and shall pay, any and all expenses related to the use of the Service, including, but not limited to, telephone, mobile data, or internet service charges from any Communication Provider. You understand and agree that you are solely responsible for the operation, maintenance, and updating of all equipment, software, and services used in connection with the Online Services or Mobile Application and the cost thereof, and you hereby agree that you will perform, or cause to be performed, all vendor recommended maintenance, repairs, upgrades, and replacements. We are not responsible for, and you hereby release the us from, any and all claims or damages resulting from, or related to, any virus or malware or related problems that may be associated with using electronic Communication or the internet. We are not responsible for, and you hereby release us from, any and all claims or damages resulting from, or related to, defects in or malfunctions of your hardware or software, or failures of or interruptions in any electrical, telephone, mobile data, or internet services. We hereby advise, and you hereby agree to scan your computer or mobile device, hardware, and software on a regular basis using a reliable virus detection product in order to detect and remove viruses or harmful malware.
- 9. Your Privacy.** Protecting your privacy is very important to us. Please review our BECU U.S. Consumer Privacy Notice and Online Privacy Notice in order to better understand our commitment to maintaining your privacy, as well as our use and disclosure of your information. Our BECU U.S. Consumer Privacy Notice and Online Privacy Notice can be found at [BECU.org/online-privacy-notice](https://www.becu.org/online-privacy-notice).
- 10. Privacy of Others.** If you receive information about another person through the Service, you agree to keep the information confidential and only use it in connection with the Service.
- 11. Eligibility.** The Service is offered only to businesses of the United States who are BECU members and who can form legally binding contracts under applicable law. By using the Service, you represent that you meet these requirements and that you agree to be bound by this Agreement. Without limiting the foregoing, the Service is not offered to minors and you agree you will not establish any minor as a user authorized to use the Service on your behalf.
- 12. Acceptable Use.** You agree that you are independently responsible for complying with all applicable laws in all of your activities related to your use of the Service, regardless of the purpose of the use, and for all communications you send through the Service. We and our Service Providers have the right but not the obligation to monitor and remove communications content that we find in our sole discretion to be objectionable in any way. In addition, you are prohibited from using the Service for communications or activities that: (a) violate any law, statute, ordinance, or regulation; (b) promote hate, violence, racial intolerance, or the financial exploitation of a crime; (c) defame, abuse, harass, or threaten others; (d) include any language or images that are bigoted, hateful, racially offensive, vulgar, obscene, indecent, or discourteous; (e) infringe or violate any copyright, trademark, right of publicity or privacy, or any other proprietary right under the laws of any jurisdiction; (f) impose an unreasonable or disproportionately large load on our infrastructure; (g) facilitate any viruses, Trojan horses, worms, or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept, or expropriate any system, data, or information; (h) constitute use of any robot, spider, other automatic device, or manual process to monitor or copy the Service without our prior written permission; (i) constitute use of any device, software, or routine to bypass technology protecting the Service, or interfere or attempt to interfere, with the Service; or (j) may cause us or our Service Providers to lose any of the services from our internet Service Providers, payment processors, or other vendors.

13. Security Code Credentials. During your enrollment in the Service, you are required to select or will be assigned certain numbers, codes, marks, signs, public keys, or other means of authenticating your identity and electronic communications in your name. These may include a login name and password. These credentials, with the other components of your Security Codes, will give access to your Accounts through the Service. As a component of your Security Codes, our Service utilizes multi-factor authentication, which is login security that combines two authentication factors, something you know (your password), and something you have (your computer/device), and in some cases out-of-band authentication (“OOBA”). OOBA requires the use of a Secure Access Code, when prompted. For example, each time you log in from a computer or device that is not recognized by us, we will prompt OOBA. You agree to change all passwords with sufficient frequency so as to protect confidentiality. You agree not to disclose your Security Codes to anyone and to take other reasonable precautions to ensure the safety, security and integrity of transactions conducted with your computer or mobile device and you agree to be responsible for all actions taken by anyone to whom you have provided such credentials. For security reasons we may disable your Security Codes if they are entered incorrectly several times. We may offer to you or require you to use additional authentication tools or methods from time to time. If you choose not to implement supplemental authentication tools, your access to some or all of the Service may be limited.

If you believe that your credentials have been lost or stolen or that someone may attempt to use them to access the Service without your consent, you must inform us immediately at the telephone number provided in Section 19 of the General Terms below. See also Section 20 of the General Terms below regarding how the timeliness of your notice impacts your liability for unauthorized transfers.

- 14. User Administration.** You are responsible for and bound by any Communication we receive in your name through the Service if the Communication: (i) comes from an Administrator or Authorized User; or (ii) is authenticated using security procedures, described herein, even if not authorized by you.
- Administrator.** You will be required to designate at least one initial Administrator. The Administrator must be an Authorized Signer on your Accounts as defined in the Business Account Agreements. You (through the Administrator) then control the Service and access to it. The Administrator will be able to and will be responsible for maintaining your Service settings and Authorized-User security. Access to your Account(s) through the Service will be based upon authority established by the Administrator.
 - Authorized User.** The Service will allow the Administrator to establish authority levels to help you manage additional Authorized Users and control use of the Service. The levels are used to specify who can access specific Accounts, what dollar amounts Authorized Users are authorized to handle, and what functions an Authorized User can access when transacting on an Account using the Service.
 - User Administration.** The Administrator is responsible for setting up your Authorized Users. The Administrator is also responsible for assigning all persons with the Security Codes that are necessary to access the Service and for establishing what, if any, limitations will apply. The Administrator changes and maintains your Security Codes. The Administrator(s) will have full access to your Accounts and to any future Account you may open. We will **not** control or oversee the Administrator or any activity or function of an Administrator or other Authorized User. You agree to the creation of an Administrator and to all action taken by the Administrator. You agree to all action taken by any Authorized User and by any person given access to the Service by the Administrator or by an Authorized User. You further agree to assume all risks associated with providing Security Codes to your Administrator, understanding that this can result in Authorized Users and possibly other persons obtaining access to your Account without control or monitoring by us.
 - Account Access.** Any Authorized User is authorized by you to access and use the Service according to the authority levels granted them by the Administrator whether or not that person would be authorized to transact on the Account in the absence of this Agreement.
 - User Administration Review.** You agree to review the configuration of your Accounts at commencement of the Service and periodically thereafter to restrict Authorized User access to Accounts and the Service in accordance with your risk assessment.

15. Account Information. All information is either generated by us or is obtained from sources believed by us to be accurate and reliable as of the date posted on the Service. However, because of the possibility of human and mechanical error, delayed updates, as well as other factors, such as the difficulty of securing a website from unauthorized alterations or the occurrence of a system breakdown or other unavailability, neither we nor any of our Affiliates provides any representations or warranties regarding the Site or any information in it.

BUSINESS ONLINE BANKING AND MOBILE BANKING TERMS OF SERVICE

The Service and all information is provided “AS IS” and with all faults, and we make no representations and disclaim all implied warranties of every kind, including warranties or any duties (if any) as to accuracy, timeliness, completeness, suitability, availability, merchantability, and fitness for any particular purpose, or lack of negligence or viruses. We do not provide any warranty against infringement or of quiet enjoyment, and make no express warranties.

Balances and transaction information reflected in the Service may not reflect all transactions against an Account on the day the transaction occurs. Some transactions may not be reflected by the system until the following Business Day. Activity performed during nightly processing may not succeed when applied to your actual balance at the end of the nightly processing. Posted transactions may be reversed due to insufficient available funds, stop payment orders, legal process, or other reasons. Certain balances may not be subject to immediate withdrawal, may include deposits still subject to verification, or other items in the process of being posted to the Account, and may not include outstanding checks, debits, or credits. You understand and agree that Account information may not reflect transfers made by multiple users from the same Account if different login credentials are used for the same Account.

- 16. Check Stop Payment Services.** You may request a stop payment on a check issued on your Account(s) by completing the form presented as part of the check stop payment within the Service and submitting all the required information to us (“Check Stop Payment”). All Check Stop Payment requests, renewals, and revocations of stop orders will be subject to the terms and conditions of the Business Account Agreements. You must give us timely, complete, and accurate information as prompted by the Service, including the check date, payee, amount of the check, reason for the stop payment, and the check number. If any information is incomplete or inaccurate, we will not be responsible for failing to stop payment on the check. You may not use the Check Stop Payment Service to stop payment on any ACH/EFT transaction, point-of-sale ACH/EFT transfer, any cashier’s check, or other official institution check you have purchased from us. You understand that your Check Stop Payment request is conditional and will not be effective if we have not had a reasonable opportunity to respond to your request, or if stopping payment may subject us to risk of loss or damages under any law or regulation (including clearing house or other processor rules).
- 17. Information Authorization.** Your enrollment in the Service may not be fulfilled if we cannot verify your identity or other necessary information. Through your enrollment in or use of the Service, you agree that we reserve the right to request a review of your credit rating at our own expense through an authorized bureau. In addition, and in accordance with our Privacy Policy, you agree that we reserve the right to obtain personal information about you, including without limitation, financial information and transaction history regarding your Eligible Transaction Account. You further understand and agree that we reserve the right to use personal information about you for our and our Service Providers’ everyday business purposes, such as to maintain your ability to access the Service, to authenticate you when you log in, to send you information about the Service, to perform fraud screening, to verify your identity, to determine your transaction limits, to perform collections, to comply with laws, regulations, court orders, and lawful instructions from government agencies, to protect the personal safety of subscribers or the public, to defend claims, to resolve disputes, to troubleshoot problems, to enforce this Agreement, to protect our rights and property, and to customize, measure, and improve the Service and the content and layout of the Service. Additionally, we and our Service Providers may use your information for risk management purposes and may use, store, and disclose your information acquired in connection with this Agreement as permitted by law, including (without limitation) any use to effect, administer, or enforce a transaction or to protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability. We and our Service Providers shall have the right to retain such data even after termination or expiration of this Agreement for risk management, regulatory compliance, or audit reasons, and as permitted by applicable law for everyday business purposes. In addition, we and our Service Providers may use, store, and disclose such information acquired in connection with the Service in statistical form for pattern recognition, modeling, enhancement and improvement, system analysis, and to analyze the performance of the Service. The following provisions in this Section apply to the Service:
- a. **Device Data.** We may share certain personal information and device-identifying technical data about you and your devices with third-party Service Providers, who will compare and add device data and fraud data from and about you to a database of similar device and fraud information in order to provide fraud management and prevention services, which include but are not limited to identifying and blocking access to the applicable service or website by devices associated with fraudulent or abusive activity. Such information may be used by us and our third-party Service Providers to provide similar fraud management and prevention services for services or websites not provided by us. We will not share with Service Providers any information that personally identifies the user of the applicable device.

We will tell you the results of our investigation within three (3) Business Days after we complete our investigation of the error, and will correct any error promptly. However, if we require more time to confirm the nature of your complaint or question, we reserve the right to take up to forty-five (45) days to complete our investigation. If we decide to do this, we will provisionally credit your Eligible Transaction Account within ten (10) Business Days for the amount you think is in error. If we ask you to submit your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your Eligible Transaction Account. If it is determined there was no error, we will mail you a written explanation within three (3) Business Days after completion of our investigation. You may ask for copies of documents used in our investigation. We may revoke any provisional credit provided to you if we find an error did not occur.

20. Intellectual Property. All other marks and logos related to the Service are either trademarks or registered trademarks of us or our licensors. In addition, all page headers, custom graphics, button icons, and scripts are our service marks, trademarks, and/or trade dress or those of our licensors. You may not copy, imitate, or use any of the above without our prior written consent, which we may withhold in our sole discretion, and you may not use them in a manner that is disparaging to us or the Service or display them in any manner that implies our sponsorship or endorsement. All right, title, and interest in and to the Service, the technology related to the Service, and any and all technology and any content created or derived from any of the foregoing, is our exclusive property or that of our licensors. Moreover, any suggestions, ideas, notes, drawings, concepts, or other information you may send to us through or regarding the Service shall be considered an uncompensated contribution of intellectual property to us and our licensors, shall also be deemed our and our licensors' exclusive intellectual property, and shall not be subject to any obligation of confidentiality on our part. By submitting any such materials to us, you automatically grant (or warrant that the owner of such materials has expressly granted) to us and our licensors a perpetual, royalty-free, irrevocable, non-exclusive right, and license to use, reproduce, modify, adapt, publish, translate, publicly perform, and display, create derivative works from, and distribute such materials or incorporate such materials into any form, medium, or technology now known or later developed. You warrant that all so-called "moral rights" in those materials have been waived, and you warrant that you have the right to make these warranties and transfers of rights.

21. Links and Frames. Links to other sites that may be provided on the Service are offered for your convenience. By providing these links, we are not endorsing, sponsoring, or recommending such sites or the materials disseminated by or services provided by them, and are not responsible for the materials, services, or other situations at or related to or from any other site, and make no representations concerning the content of sites listed in any of the Service web pages. Consequently, we cannot be held responsible for the accuracy, relevancy, copyright compliance, legality, or decency of material contained in sites listed in any search results or otherwise linked to the Service. For example, if you "click" on a banner advertisement or a search result, your "click" may take you off the Service. This may include links from advertisers, sponsors, and content partners that may use our logo(s) as part of a co-branding agreement. These other sites may send their own cookies to users, collect data, solicit personal information, or contain information that you may find inappropriate or offensive. To the extent that the terms of this Agreement conflict with applicable state or federal law, such state or federal law shall replace such conflicting terms only to the extent required by law. Unless expressly stated otherwise, all other terms of this Agreement shall remain in full force and effect. Unless our Business Account Agreement with you states otherwise, you agree that any claim or dispute you may have against us must be resolved by a court located in King County. You agree to submit to the personal jurisdiction of such courts for the purpose of litigating all claims or disputes. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.
- 25. - 26. Release.** You release us and our Affiliates and Service Providers and the employees and contractors of each of these, from any and all claims, demands, and damages (actual and consequential) of every kind and nature arising out of or in any way connected with any dispute that may arise between you or one or more other users of the Service. In addition, if applicable to you, you waive California Civil Code §1542, which states that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if not known by him must have materially affected his settlement with the debtor.
- 27. No Waiver.** We shall not be deemed to have waived any rights or remedies hereunder unless such waiver is in writing and signed by one of our authorized representatives. No delay or omission on our part in exercising any rights or remedies shall operate as a waiver of such rights or remedies or any other rights or remedies. A waiver on any one occasion shall not be construed as a bar or waiver of any rights or remedies on future occasions.
- 28. You acknowledge and agree that any CSR Assist by our employees or our Service Providers will only be activated upon your authorization, which may be provided by you. Once CSR Assist is granted, it will be limited to the session then open by you at the time of the authorization. Each new session opened will require a new authorization for CSR Assist. You acknowledge that the purpose of CSR Assist is to provide assistance to you when troubleshooting systems questions presented by you to us or our Service Provider as it relates to the Service. You expressly agree that you will maintain a physical presence at the computer terminal to which CSR Assist is granted for the complete duration of the session. If you fail to maintain an authorized presence during the complete duration of the session, you assume all risk associated with unauthorized access to your information and the Services. In addition to the protections otherwise available to us under this Agreement, you agree to indemnify and hold us, our Affiliates, licensors, processors, third-party contractors and vendors, and their respective directors, officers, shareholders, employees, and agents, harmless from and against any and all claims, loss, or damage of any nature whatsoever (including but not limited to attorneys' fees and court costs) arising directly or indirectly out of the CSR Assist.

Once you have downloaded the mobile application for Mobile Banking, designated Accounts linked to your Security Codes will be accessible through your wireless access device. If you obtain a different wireless access device, you will be required to download and install software to that different wireless access device, under the same terms set forth in this Agreement, as amended. You agree to delete all such software from your wireless access device promptly if the licenses or this Agreement terminate for any reason. We reserve the right to change, add to, or terminate services with our third-party software providers, to substitute different software providers, and to enter into or arrange for Mobile Banking by other licensors and third-parties. To the extent Mobile Banking involves our having granted you software license (“software”) usage rights, such grant shall be a personal, non-exclusive, non-transferable right to access and use Mobile Banking in connection with your use in accordance with this Agreement. By enrolling in portions of Mobile Banking relating to those software systems and programs, and by downloading and installing Mobile Banking software, you will be evidencing your acceptance of the terms and conditions of those licenses. We may also condition your use of Mobile Banking upon you affirming such licenses by the use of “I Accept” or similar dialogue box acknowledgements, or by other affirmative or use-based acknowledgement and agreement systems.

2. **Available Funds Required.** All transfers are subject to the availability of sufficient available funds to cover the scheduled Transfer Instruction on the scheduled transaction date. If the Transfer Instruction cannot be completed for any reason associated with your Eligible Transaction Account (for example, there are insufficient available funds in your Eligible Transaction Account, or the Transfer Instruction would exceed the credit limit or NSF/Overdraft Protection available balance in a linked account to cover the payment), the Transfer Instruction may or may not be completed.
3. **Stopping Scheduled Transactions.** You may change or delete a pending Transfer Instruction before you have processed it. This means you can delete or change any scheduled Transfer Instruction, if you do so no later than the noted transfer cutoff time as displayed within the Service on the date the Transfer Instruction is scheduled to process.
4. **Losses.** We are not liable to you for any errors or losses in using the Service except where we fail to exercise ordinary care in processing any Transfer Instruction. Our liability in any case shall be limited to the amount of any

If you select a Loan Payment Processing Date that is not a Business Day or submit your Loan Payment instruction after the Loan Payment cutoff hour for that date, then the Loan Payment Processing Date may be the next Business Day.
- b. **Loan Payments.** You may designate the Loan Payment as a regular installment or an interest/principal only payment. If funds transferred will be applied as a reduction in principal only, funds will be applied as unscheduled reductions of principal and, as such, will not satisfy the installment obligations under the payment schedule for the loan Account or pay accrued interest. If funds transferred will be applied as a regular installment payment, you are responsible for ensuring that you initiate a Loan Payment instruction in time for the payment to be received by us before its due date.
