

HOW TO BECOME A REGISTERED BUILDER

- A completed Land Gorilla contractor/builder questionnaire.
- A contractor license(s).
- A W-9 form. • General liability insurance.
- Workers' compensation insurance if applicable.

START

The BECU construction loan specialist requests a Builder Review through Land Gorilla and uploads the following documents:

Land Gorilla takes approximately three business days to review the builder documentation.

Land Gorilla will either condition for more documentation from the builder, accept the builder or decline the builder.

The builder will move to a list of accepted contractors in our Land Gorilla portal.
